

Constructing a Compromise for Complex Conflicts

Summing up the conflict: _____

Possible compromises:

Compromising sentences:

Share with each other where, and under what circumstances, you could change your position.

- I could see giving in in this way _____
- I would be able to give this amount _____
- I would be able to come forward/give in on this part _____
- I would be able to give in on...if you give in on a different part of the issue, like...
- I would be able to give in on _____ this time if, next time, you would be okay with _____ or would give in on some other issue, like _____
- I could be okay with only doing _____ now if, at a later time, we would _____
- I would be willing to try your way for _____ amount of time, if we agree that if I see I can't do it, I can say so and we'll renegotiate.

Concluding compromise: _____
